

Estevan Motor Speedway Slingshot Class Rules

Minimum Age 8 years old (Must turn 8 by August 1 of current year)

Maximum Age 13 years old

Car count greater than 17 - Split field for Features based on Heat Results

-Feature 1 uses IMCA Point Structure

Feature 2 starts at 35 points to win, decreasing by 1 per position.

All cars must follow Tobias Junior Slingshot technical rules (subject to inspection at any time)

Must run working MYLAPS Transponder and RaCeiver-type 1-way communication. Transponder must be mounted Low and not ahead of front edge of seat. Must have clean sight line to the earth.

Must run Full Containment seat with head/neck restraint. Driver must be able to start/stop car on their own. Must run full FR Suit, Shoes, Gloves. Head sock is suggested but not required.

Parents/guardians and Pit Crew are responsible for their own behavior. Failure to do so will result in their car or cars to be disqualified. This includes but is not limited to verbal abuse of officials and/or volunteers.

Rough driving and Jumping starts can result in loss of 3 spots in finishing order (or at next yellow) or by number of cars jumped, whichever is greater. Multiple offenses will result in harsher penalties, starting with last place points or DQ at discretion of Board disciplinary committee

Restarts will be single file unless no laps have been completed. If 2 initial starts are attempted without a lap complete, the 3rd attempt will be single file.
